### **CENTURY 21 Adams & Barnes Team Bowls for Charity**

**Pasadena, CA, February 03, 2007** – Pins dropped and crowds cheered as CENTURY 21 Adams & Barnes associates and their families came together early this month to compete in the Arcadia Association of Realtors' Annual Bumper Bowling Tournament. The group of 12 awoke early to meet dozens of other teams at Bahama Lanes in Pasadena. Their efforts raised hundreds of dollars for local charities and gave the bowlers the opportunity to display their pin-dropping 'prowess' to their peers.

Although several team members gave stand-out performances, the group's "Most Valuable Bowler" was Bumper Tournament veteran David Cheung / Realtor®. With his signature lane approach in full effect, David posted impressive scores and several highlight moments. Other honorable mentions belong to tournament newcomers Nick Zigic and Nicole Kinder, who made their presence known with their respective string of crashing strikes.

The tournament is one of many fundraising events coordinated by the Arcadia Association of Realtors' Real Estate Professional Auxiliary committee. CENTURY 21 Adams & Barnes is a consistent supporter of the committee's projects.
